Second round of the U14 Scottish Cup Shield saw Broughton drawn at home to Preston Lodge from Prestonpans.

The game was a tight affair straight from the start with Preston Lodge scoring in the first 5 minutes to make it 0-1, putting our boys under pressure to get a vital goal back. This eventually happened through Anthony McDonald who slid the ball in after a mix up in the opposition box to make it 1-1.

Broughton then turned the game around through Gregor Woods, who hit a 20 yard effort to make the score 2-1 going into half time. Broughton were on the ascendancy and pushing for a third when Preston Lodge got a rare break away and scored to make it 2-2. The boys showed great resilience and determination to put that equaliser behind them by scoring a third goal through half-time substitute Brody Paterson, who scored with a delightful dinked effort over the oncoming Preston Lodge goalkeeper to make it 3-2 in Broughton's favour.

The game was drawing to an end when the unthinkable happened and Preston Lodge got another break away and scored to make the game 3-3. The game finished with this score line and went into a penalty shootout. Thankfully our boys persevered and came through the shootout 4-3 victors after it went into sudden death; Brody Paterson with the winning spot-kick.

The boys did the school proud and now await their third round opponents. Well done boys!
