

BROUGHTON HIGH SCHOOL CLUSTER

EXTRA CURRICULAR SPORTS CLUBS, COMMUNITY SPORTS HUB & OTHER PROGRAMMES

After School Sports Programme & Membership Scheme

Through Active Schools and the PE Department, an extra-curricular sports programme is ran within the High School. We encourage every pupil to become a sports club member, and do at least one after school activity per term. The sports club membership is GREAT Value for money, costing only £20 for the whole year. Pupils can attend as many after school clubs as they wish throughout the academic year, as long as they fall within the age range the clubs cater for.

We offer an extensive programme of core activities, please see below (we are always open to new club suggestions from pupils):

We have some great facilities here at Broughton High School, including a Large Games Hall, Small Games Hall, 2 Dance Studios, full size 3G and 2G Astro pitches, a Grass Pitch and a Fitness Suite.

The clubs are led by PE Staff, external sports club coaches and senior pupils. We work closely with local community based sports clubs, sports clubs within the Community Sports Hub, National Governing Bodies and Development Officers. They all contribute in delivering taster sessions for pupils in both primary and high school during PE curriculum time to encourage participation in existing and new activities on the extra-curricular programme.

Skiing/Snowboarding Club

On a weekly basis, Mr Grieve (PE Teacher) provides pupils a fantastic opportunity to go to Hillend and the Snowfactor in Glasgow to ski and snowboard. This club can be for pupils of all skill levels; from beginners to experienced skiers and snowboarders. If pupils have the enthusiasm for either of these activities, then this is the club for them!

Each academic year, S1 - S3 pupils are given the chance to travel to countries such as France and Austria to spend 7 days skiing and snowboarding in some of the best and most beautiful slopes in the world. Last year we invited the Primary 7's to join us on the Ski Trip, so we hope to see you soon. For more information on the club and end of year trip, please contact Mr Grieve at gavin.grieve@broughton.edin.sch.uk

Community Sports Hub

Broughton High School is 1 of 5 school-based Community Sports Hubs in Edinburgh. One of the focuses for the Hub is to create pathways for children and young people to progress from curriculum PE into after school clubs and onto club-based sports; the involvement of the Hub allows sporting pathways to be brought closer to the children and young people in the community.

We have 13 priority clubs here at the Hub, which you can find more details about at reception and around the school. These clubs are actively involved with promoting sporting opportunities in the community and engaging with children and young people. Through these partnerships it allows a variety of sports to be on offer and helps the clubs to grow through community involvement!

Transition Links

As the Active Schools Co-ordinator for the Broughton cluster, I am based at Broughton High School in the PE Department and cover the 4 cluster primary school's: Stockbridge, Granton, Ferryhill and Flora Stevenson Primary School. Throughout the year various clubs and events are run by Active Schools at the High School to introduce prospective pupils to Broughton, to allow them to get familiar with the facilities & staff.

This year we are providing the following opportunities for primary school children to attend Broughton High School;

Young Ambassador Programme

Broughton High School have 4 Young Ambassadors; 2 Gold Ambassador - Isla Melee and Liam Boath (S6) and 2 Silver Ambassadors - Ellie Simpson and Paddy Martin (S5), Isla Melee, who work alongside the Active Schools Co-ordinator in promoting sport and the value of physical activity throughout the school.

The Young Ambassador programme is aimed at pupils S5/S6 and integral in all high schools in Edinburgh. The programme provides opportunities for young people to get involved and develop social skills, such as leadership and communication through joined up working with the Active Schools Co-ordinator and fellow Young Ambassadors from other High Schools.

Additional Qualifications

Through Active Schools, the High School and Community Sports Hub, pupils are given the opportunity to further their development by attending a variety of courses from Sports First Aid to Positive Coaching Scotland workshops. We are keen to provide a platform for pupils to gain additional qualifications to assist in strengthening their opportunities while at school and on leaving.
