

BRO Dragons' Den

Do you think you could be a successful business person?

Could you run your own business?

Do you have ideas that could make money?

Do you want to do something positive within our local or global community?

The BRO Directors are looking for young entrepreneurs to take part in our very own Dragons' Den event in November.

If you would like to work in a small team to come up with a potentially profitable idea, we want to hear from you.

There will be a drop in on **Tuesday lunchtime from 1.10pm in the Flexible Classroom (old CLD room off the HUB).**

Come along and share your ideas with the BRO Directors and get support.

Up to 10 teams will be invited to pitch at the Dragons' Den event in November.

Winning ideas will be offered a start-up loan from BRO Enterprise.

All the profits that you make will be used to benefit projects or charities of your choice.

Get involved!
