

Broughton 3-1 Boroughmuir

Mr Boyd returned to Broughton leading his senior Boroughmuir team who have had some very promising results in the league so far.

However, Mr McAdam's Broughton side were too strong right from the start. Dominating in every area of the pitch with the score line flattering the away team as it could have been more than 3 for Broughton.

2 goals, though, from Danny Cameron and an excellently worked goal finished by Cameron Ross was enough to see us comfortably through.

Special mention was made for Oban Anderson and Cameron Milne who dictated the pace of the game from the middle of the park.
