All organisations should ensure children are properly cared for, and protected from violence, abuse and neglect by their parents, or anyone else who looks after them.

- **Article 28/29**

You have the right to a high quality education, to have goals and achieve your best.

- **Article 31**

You have the right to relax, play and join in a wide range of activities, as long as this does not stop other people from engaging their rights.
