Dear Mr Wilson

**Re: Corporal Chelsea Rice's Canada Trip**

I would like to take this opportunity to thank you for your support and aid in helping Corporal Rice get to Canada. She has put in a lot of time and effort into fundraising and helping herself reach her target of £1000 so it is especially rewarding for her to receive additional help from the Ainslie Trust Fund in the form of a cheque for £100.

She thoroughly enjoyed planning and executing her fundraising event in the Salvation Army community hall where she raised £300; and her fundraiser at cadets where she raised £50. She also left her comfort zone to approach members of our affiliated reserve centre who she did not know to ask them to support her by buying football cards; through this she raised a further £60. Here at Rhine Company we are very proud of all of her efforts and we know that she will enjoy her time in Canada which she thoroughly deserves.

We really do appreciate the support and help that you have given to Corporal Rice and I hope that this will help strengthen the relationship between your school and our Army Cadet Force unit.

Kindest regards

2Lt Shorter

Detachment Commander
