

After three successful years, Dundee Dental School are opening their doors again to potential undergraduate applicants who are hoping to gain further insight and experience into the world of **DENTISTRY**.

What is Dundee Dental Insight?

This unique 3 day programme gives S5 school pupils the opportunity to shadow current dentistry students within the dental hospital, gain hands on experience in the phantom head room and labs and receive talks about the application process with current students reflecting on their experiences of applying to dental school. In this current academic year the programme will be running from **3-5 June 2019**.

Eligibility

To be eligible the pupil **MUST**:

- Be a S5 secondary school pupil studying in Scotland at the time of the programme
- Be on track to achieve the minimum entrance requirements to study dentistry at the University of Dundee which can be found at <http://www.dundee.ac.uk/study/ug/dentistry/#info-entry-requirements>

Dentistry BDS (Undergraduate) : Study

www.dundee.ac.uk

Develop knowledge and skills across the full range of dental disciplines and gain experience treating patients in the University's own dental hospital.

-
- Provide a suitable reference from a teacher stating why the pupil would be a good candidate for this course which should be emailed directly to: dentalinsight@dundee.ac.uk
 - Show a keen interest in attending dental insight and motivation to study dentistry. The pupils will be asked the following questions on their application form in order to assess their suitability for the insight programme:

1. Why do you want to study dentistry?
2. What do you wish to gain from the dental insight programme?

How to apply

Applications will open **on Sunday 10 February at 6pm** and will close on **Sunday 17 February at 6pm**. Pupils who are not successful but do meet requirements will be placed on a waiting list.

To apply, pupils must complete an application form which can be found at <https://go.o.g/forms/vS0wWT79W8Yd8oKc2> (please note this link will not work until applications are open on the 10 February) **AND** must send a **reference** from a teacher by the deadline stated above.

References are the responsibility of the school pupil to ask their teacher to send a reference.

The Dundee Dental Insight team will not contact teachers to ask them for a reference, the pupil must arrange this and ensure it arrives by the deadline.

Any references arriving after Sunday 17 February will not be considered, and applications rejected.

The Dundee Dental Insight programme is a 3 day unique work experience opportunity for S5 students in Scotland considering applying to dentistry. This exciting event will involve shadowing current dental students on clinic, hands on experience in the phantom head room along with talks regarding how to smash the UKCAT, write a killer personal statement and how the application process works as a whole. To be eligible you MUST:

- be studying at a secondary school in Scotland
- be in S5
- be on track to achieve the minimum entrance requirements to study Dentistry at the University of Dundee:

<http://www.dundee.ac.uk/study/ug/dentistry/#info-entry-requirements> -Provide a reference from a

teacher which should be emailed to
dentalinsight@Dundee.ac.uk by the deadline date

Additional information

- There is no charge for the programme itself but please note that travel and accommodation will **not** be provided.
- This is currently the **only dental school in the UK** to offer this programme so it's not to be missed!
