Simon Hart, former BHS and director of Manipultae and Puppet Animation festivals will present to senior students in Drama	Senior Phase Alexander Hamilton, artist and parent, will present to S4 and S5 students about his career in Art			Senior Phase Ian Thomson- Music Industry talk to S4-6 Diana Saunderson-Musical Theatre Course Leader at Edinburgh College: Musical Theatre workshop
ML	A group of 15 students in S3 working towards the Languages for Life and Work group award (SQA) will begin their Business Language Champions project with the Balmoral Hotel. Students visit the hotel and find out about the languages spoken by the staff, the cultural preferences of guests and the skills needed to work at the Balmoral. They will also take part in a workshop on application/CV writing. The pupils, in return, will produce a piece of work for the Balmoral. Last year, our Mandarin students created a leaflet for the hotel staff in which they provided key statistics about China and cultural information. Outwith this week activities have included: S1- learning about jobs and places of work, S3-careers, job applications and CV writing, careers workshops. In the Senior-phase: SCILT and Project Trust have presented to seniors about the relevance of languages to future careers. At Higher level, all learners study an Employability unit focusing on future career plans.
