

On Wednesday 16 January, our gymnasts competed in the Lothian Schools Competition at Lasswade High School, and did really well.

It was most of the gymnasts' first time representing the school and for many of them it was their first gymnastics competition. They achieved the following results-

- Level 1 - 3rd place
- Level 2 - 1st place
- Level 3 - 2nd place.

The level 2 and 3 team have also qualified to the Scottish Schools Finals in March.

As always, they behaved really well, showing great team spirit and making friends with other teams.
