

LEAPS

Please register with LEAPS today if you think you are eligible. Even if you are not sure please register.

Eligible pupils are

- student who is first generation in family to apply to higher education or whose parents do not already have a degree. This includes students whose parents may have briefly participated in higher education but did not achieve a degree. (Please note that a student whose parent/guardian/carer has achieved any degree – irrespective of mode of study, type of institution, location of study – would not be LEAPS eligible under this criterion.)
- student from a low income background (for instance, where a student is entitled to EMA, free meals in school, or where the family is on income support).
- student who has spent time in care or being looked after.
- student who is a young carer - by this we mean a young person who cares, unpaid, for a friend or family member who due to illness, disability, a mental health problem or an addiction cannot cope without their support.
- student who lives in one of Scotland's 20% most disadvantaged communities as defined by the Scottish Index of Multiple Deprivation (SIMD20). **Check with your guidance teacher if you are not sure.**
