

Las vida escolar - Reading 1

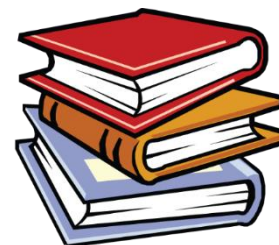

Pablo

Hola, soy Pablo, Tengo once años y soy muy simpático. Voy a un colegio mixto, y tiene seiscientos alumnos y cuarenta profesores. Los profesores son muy divertidos, y me gustan mucho. Hay uniforme – es negro y rojo. Mi escuela es bastante grande. Hay ochenta aulas, cinco laboratorios, un gimnasio, dos salones de actos, dos cocinas, dos comedores y cinco despachos. Desafortunadamente, no tenemos una piscina. Me encantaría tener una piscina, porque me gusta nadar. Mi asignatura favorita es la educación física porque me encanta jugar al tenis, pero no me gustan las matemáticas porque son muy aburridas.
