- Exploring what “respect” means and how adults and young people model it everyday
- Looking for ways in which students (YOU) can be actively involved in decision-making in school

- Article 2

- Article 28/29
- You have the right to a high quality education, to have goals and achieve your best.
  
- Article 31
- You have the right to relax, play and join in a wide range of activities, as long as this does not stop other people from engaging their rights.
