

# Youth Hour

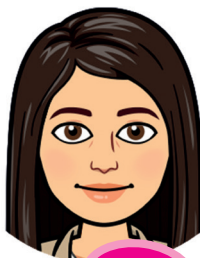

If you're a child or a young person, you can call us anytime to get free legal advice...

...**BUT every Tuesday and Thursday between 12 and 1 o'clock our solicitors will only take calls from children and young people.**

If you're under 21 and you have questions about the law or your rights, you can call and speak to our solicitors Irina and Kirstin.

Our advice is confidential. That means we won't tell anyone that you called us, unless we think you or someone else is at risk of significant harm.

Kirstin

Irina
