Dear Parents/Carers

Our colleagues continue to upload materials onto our virtual learning platform (Microsoft Teams) for all students to access.

It is important that our young people stay actively engaged in their learning throughout this challenging time.

Subject teachers and Pupil Support leaders have set up classes on Microsoft Teams so that students can access work, submit completed assignments and contact their teachers/pupil support leader.

I would ask you to encourage your child to engage with Microsoft Teams daily, to complete set assignments and to remain in regular contact with their teachers/pupil support leader.

Here is a [link](#) to the Microsoft Teams help sheet.

Be assured that the Broughton High School Community will continue to support our young people and their families throughout.

If you need to contact the school about your child, please contact their **Pupil Support Leader** in the first instance:
