

Royal High 3-5 Broughton

Broughton's U13 (S1) team produced an extremely mature performance against a strong Royal High outfit. Our boys came from 2-0 down to take the lead 3-2 only to be pinned back to 3-3 with the last action in the first half.

Broughton controlled the pace of the game and Royal High hardly had in possession or territory in our half throughout the game, they did manage to score 3 goals from 3 defensive errors but they were the only chances they had!

In the end it was an assured performance and the score line doesn't represent the unevenness of the match.

Lucas Berry picked up Man of the Match with a hat-trick, Peter Thomson and Robbie Walker got the other 2 goals.

The team plays James Gillespies away this weekend, hoping to continue their winning streak!

Mr Howieson.
