

International
Women's Day

#PressforProgress

Each one of us -
women, men and
non-binary can
demand equality.

What can YOU do
to make gender
equality a reality?

We will challenge
stereotypes and
bias

We will forge
positive visibility
of women

We will celebrate
women's
achievements

At the current rate
gender equality will
not be reached until
2186!

Only 10% of
world leaders are
women

#IWD2018

March 8th

Only 25% of
businesses have
women leaders

130,000,000 girls are
denied the right to education.

That would be the 10th
largest country in the world!

Women's rights are
human rights.

Human rights are
women's right.

Approximately 20 Million people
took part in the Women's march in
2018
